

K-Love is a part of my every day routine. It's music is insipring and the people are friendly and upbeat. This station is one of the only kid friendly stations in our town. It is a postitive light in our community. I have talked to many people who are generally happier when they listen to this station. It is better than the local Christian stations because the announcers are better experienced and trained. Please don't replace K-LOVE with an LPFM staion. They reach so many people with their positive message of love.
